Start a Meeting

Click on **New Meeting**

Make sure to use **Personal Meeting ID (PMI)** to ensure your connection is secure. Click **Start a Meeting**.

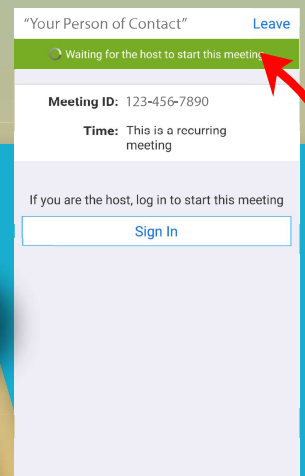

You may need to allow access permission.

Click on **Participants** to bring up your invitation method.

This is also how you **Join a Meeting**.

When the recipient clicks on the invitation link, it should connect automatically through your **ZOOM app**.

*Note: if you did not send or are not expecting an invitation, **DO NOT OPEN !!** It could be a hacker!!

*Be sure to **End Meeting** when your conversation is ended. This will turn off your camera and microphone.
