THE 2022 ANNUAL TSA REQUIRED 100% OGD AIRPORT BADGE AUDIT

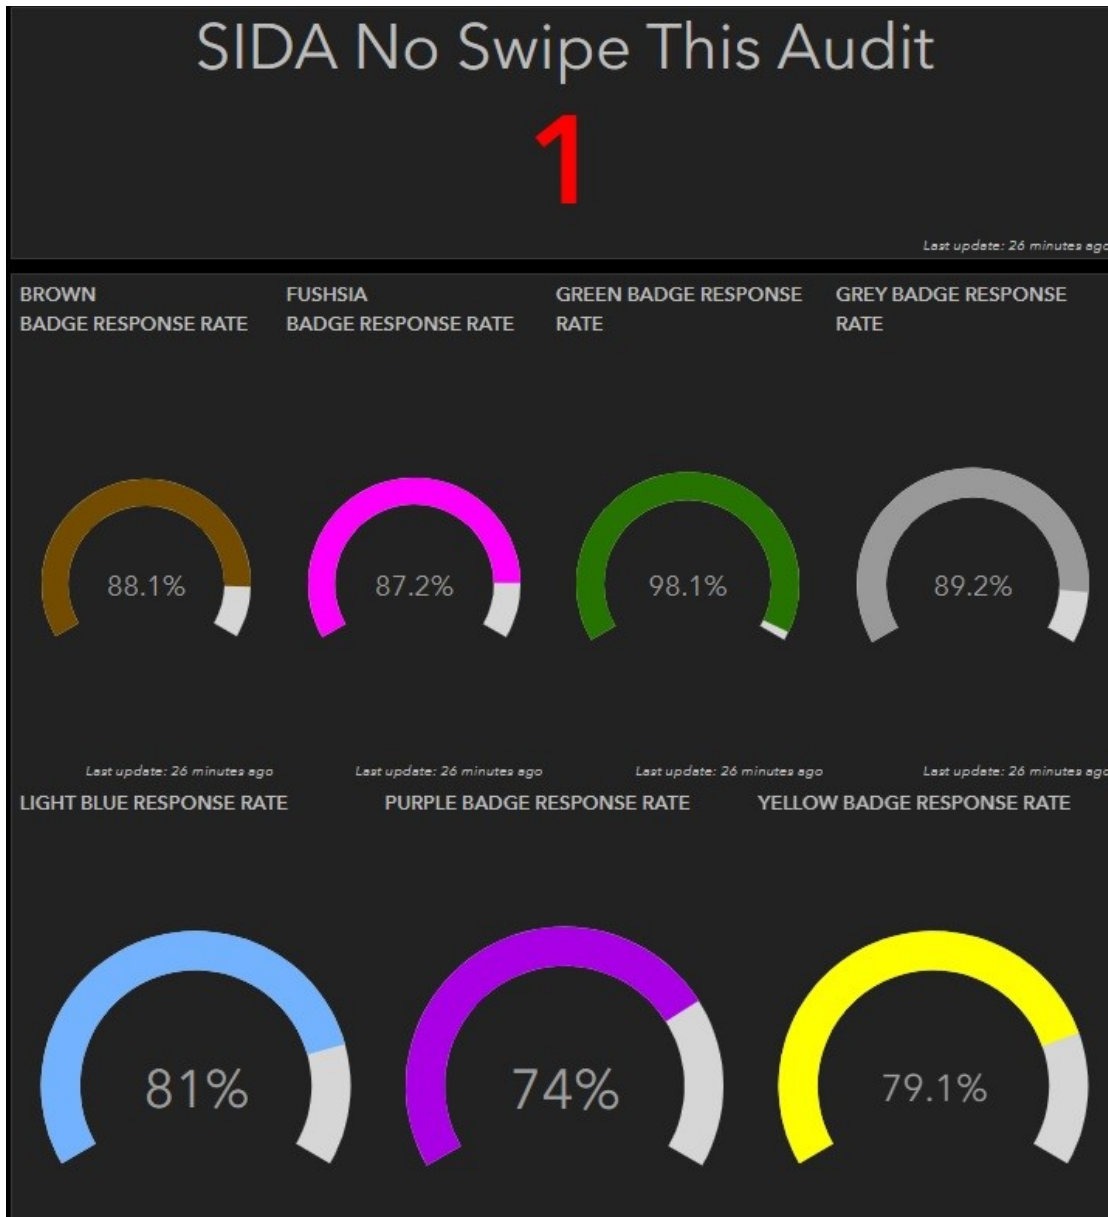

To all:

The annual TSA required 100% OGD Airport badge audit began on Friday April 1st, 2022 and it will terminate on Saturday April 30, 2022. The cut off will be at midnight tomorrow night. On Monday morning May 2, 2022, all badges that have not participated in the audit will be deactivated. Deactivated badges will not be reactivated without a \$100 penalty being paid.

Before next Friday, the results will be sent to TSA. Any type / color of badge that did not achieve at least 95% participation in the audit will have ALL of that type / color badge deactivated and ALL those badged will have to have their design altered and each badge will have to be reissued.

Below, I have attached a graph of each badge type / color and a list of those who have not yet participated as of 11:00 am today. The audit is still open all day today and all day tomorrow. Please simply use your badge on the access control system or if you cannot, mail your badge back to the airport at:
