Events

Mission: It is the mission of the Ogden Arts, Culture, & Events Division, to create an environment that fosters and supports diverse programming in arts and events to enhance the quality of life for residents and resident businesses.

Ogden Amphitheater

This outdoor space is home to Ogden's premier community events! Whether you're producing a concert to feature performance artists or building an exhibition with informational, food, or retail vendors our ACE staff is here to help make your event successful. Production support is offered at affordable rates. Bookings are available at the beginning in January.

Dumke Arts Plaza

The plaza is capable of supporting many types of art, from large-scale installations to small performances, and includes an LED screen for displaying digital art. An elevated platform provides space for arts programming, as well as a new perspective on the venue and its surroundings. The Plaza is a public space, with interactive play elements, unique lighting, benches, and water-wise landscaping.
